## **FDR Training Moves To An Immersive Week-Long Virtual Event**

*This year's virtual event will give attendees the opportunity to hear from the nation's top federal experts as they discuss the latest changes in laws, regulations and administration priorities.*

**PALM BEACH GARDENS, Fla. – June 29, 2021 – FDR Training**, the nation's leading federal training event attracting decision-makers from nearly every federal agency, has moved to be a fully immersive virtual event for the second year in a row. The full agenda will be presented online, August 16 - 20, 2021, and give attendees access to more than 60 learning opportunities covering a variety of topics including Equal Employment Opportunity, Human Resources, Labor Relations, Employee Relations, Alternative Dispute Resolution, Legal Issues, and more.

FDR Training's virtual training week will address the latest regulations and best practices, including those stemming from the COVID-19 pandemic and new policies under the Biden administration, in the form of fully live and pre-recorded workshops and sessions. Once workshops and sessions are posted to the virtual platform, attendees will be able to view them on-demand until November 19, 2021. Professionals who register for a Premium or Workshops Only Pass will have the opportunity to attend nine exclusive, virtual workshops including *"Putting Your Best Foot Forward: A Refresher for EEO Counselors and Investigators"*. This live, interactive workshop for EEO Counselors and Investigators will deliver attendees 8 hours of annual training required by the EEOC.

The virtual program will feature Ryan Sallans, a transgender speaker and author on inclusion, diversity and healthcare, presenting the keynote, *"Breaking Down Gender Barriers in the Workplace"*. Master Trainer and Training Designer from VitalSmarts, Justin Hale, will be presenting the keynote, *"Breaking Through Communication Barriers"*. Town Hall Conversations, with leaders from the EEOC, FLRA, FMCS, MSPB, OPM and OSC will also be a part of the virtual agenda.

"Although we are not able to come together during this time due to continued travel restrictions, we are moving forward as a virtual event," said Leslie Lake, Vice President, Federal Editorial, LRP Media Group. "The 2021 virtual program will continue to give attendees the training they need and ability to earn their CLEs while giving them opportunities to learn directly from agency leaders."

2021's virtual program will allow attendees to follow seven focused tracks: *Alternative Dispute Resolution, Attorney/Legal, cyberFEDS®, Equal Employment Opportunity, Human Resources, Labor Relations & Employee Relations* and *Town Hall Conversations*. Each track has been carefully created to ensure all areas of federal employment are covered and to provide guidance and best practices to keep agencies compliant and running efficiently.
